

# *Serving the children of military families*

**TRICARE® certified**

Palm Shores Behavioral Health Center provides services to our military families – supporting the children of those who have supported us.

Palm Shores offers intensive psychiatric programs for adolescents, ages 11 to 17. We provide a structured, supportive and secure environment for youth experiencing behavioral, emotional, family and social issues. The program is designed to re-establish healthy behaviors while successfully transitioning residents back into the family, home, school and community as soon as possible.

## **Individualized, structured treatment for your adolescent**

We treat psychiatric and behavioral challenges including:

- Suicidal thoughts
- Dangerous behavior
- Schizophrenia
- Delusional thinking
- Physical/sexual abuse
- Bipolar disorder
- Depression
- Extreme anger
- Trauma
- Hallucinations
